

Portrait Rates for 2024

All portrait shoots include the photographer's time and talent, professional retouching, previews of alternative finishes, and phone consultations.

The following 3 options apply to Birthdays, Christenings, or any other shoots that are not Newborn Sessions. Special project shoots also may vary from these 3 options, and seasonal specials are offered from time to time.

Option A - \$150 - fully edited photographs shown in a web gallery (gallery posted within 14 days) with varying finishes, but *does not include prints or digital files*.

Option B - \$200 + tax - fully edited photographs shown in a web gallery (gallery posted within 14 days) with varying finishes and includes 3 sheets of your choice. ***A sheet is either 1 11"x14" or 1 8"x10" or 2 5"x7"s or 8 wallets.***

Option C - \$350 – + tax fully edited photographs uploaded in a gallery with a password and *printing rights granted*. All digital images will have no watermark and are supplied in color and 3 alternative finishes.
